

## Logistics

This assignment covers material from Chapter 7 of *Access Control, Security, and Trust: A Logical Approach* (ACSTLA). It is officially due in class on **Thursday, October 17**. However, it comes with an automatic extension: anything submitted by **1pm on Friday, October 18** will be accepted as being on time.

**You may work singly or in pairs on this assignment:** if you work with someone else, then turn in a single assignment with both names on it.

## Exercises

1. ACSTLA, Exercise 7.2.9
2. ACSTLA, Exercise 7.3.3
3. ACSTLA, Exercise 7.3.4
