

Logistics

This assignment covers material from Chapter 14 of *Access Control, Security, and Trust: A Logical Approach* (ACSTLA). It is officially due in class on **Thursday, November 21**. However, it comes with an automatic extension: anything submitted by **1pm on Friday, November 22** will be accepted as being on time.

You may work singly or in pairs on this assignment: if you work with someone else, then turn in a single assignment with both names on it.

Exercises

1. ACSTLA, Exercise 14.3.7
2. ACSTLA, Exercise 14.3.8
